SKILLS:

- o HTML
- o SCSS
- o JavaScript
- o Bootstrap
- o Angular
- o Nodejs

WORK EXPERIENCE

Owner

Cervecería Baum Playa Grande, 2015 – date

Well, I did every Little thing you can do in a restaurant or a bar, from paying the employees, to cleaning a table.

With the idea in my head, I could reach what I wanted so much, and actually its working really fine right now.

Manager

El anticuario Ristorante, 2014 - 2015

My role was mostly like a general manager of the whole place. It was a good moment for me to study some things like wine and different foods.

Ski Instructor

Loon Mountain, 2011 - 2012

It was a different year for me, I learnt a lot of teaching skills, patience, and teamwork. And of course, to improve my English skills.

Sport Logger

Synergy
